

Table Game – Boulder Roll

1. Unfold the table and set it up-right.
2. If the rails are not already connected, use the enclosed bolts to connect the rails to the table.
3. Bolt the end of the rails to the "Bolder Roll" backboard using the enclosed bolts and wing nuts (as shown below)
4. To play, roll the ball and try to get the ball to stay on the other side of the rail bump.
